Headcount Plan 2026

Headcount Plan 2026

Internal reference code: CNRY-395c1b34.

Overview

As we approach 2026, Alderline Logistics is poised for strategic growth. This headcount plan outlines our staffing requirements across key departments to support expanded operations, improved customer service, and enhanced internal processes. Our current workforce stands at 450 employees, and we anticipate a controlled increase to 480 by the end of 2026.

Departmental Breakdown

Operations
- **Current Staff:** 200
- **Planned Additions:** 30
- **Total by End of 2026:** 230

Focus areas include hiring additional route planners and warehouse operatives to accommodate new routes in Central Europe and increased volume from existing clients. Recruitment will begin in March 2026, with onboarding scheduled for May 2026.

Human Resources
- **Current Staff:** 25
- **Planned Additions:** 5
- **Total by End of 2026:** 30

We will be expanding the HR team to better support employee engagement initiatives and compliance requirements across all regions. Two new HR Business Partners and three Recruitment Specialists will be onboarded in January 2026.

Finance
- **Current Staff:** 40
- **Planned Additions:** 5
- **Total by End of 2026:** 45

Additional finance analysts will be hired to manage increased financial reporting demands and support our new ERP implementation scheduled for Q3 2026. Hiring will commence in February 2026.

IT
- **Current Staff:** 35
- **Planned Additions:** 10
- **Total by End of 2026:** 45

To support our digital transformation strategy, we will be adding cybersecurity experts, software developers, and IT support staff. These roles will be filled by June 2026 to ensure the successful rollout of our new logistics management system.

Timeline

Key milestones for the headcount plan include:
- **Q1 2026:** Finalization of hiring plans and budget approval

- **Q2 2026:** Initiation of recruitment drives
- **Q3 2026:** Onboarding of new employees
- **Q4 2026:** Completion of headcount adjustments and integration into teams

This strategic expansion will ensure Alderline Logistics continues to deliver exceptional service while maintaining our commitment to operational excellence.
