Visitor Policy

Brightmoor Foods Visitor Policy

Internal reference code: CNRY-fe2c4ee2.

Effective from **January 1, 2025**, this policy outlines the procedures and guidelines for visitors to our facilities. Our goal is to ensure a safe, efficient, and positive experience for all visitors while maintaining the security and productivity of our operations.

Pre-Visit Requirements

All visitors must be pre-registered at least **48 hours** in advance. Pre-registration can be completed through our online portal, **VisitBrightmoor**, or by contacting the **Facility Management Office** at **extensions@brightmoorfoods.eu** or **+31 20 5555 123**. Each visitor must provide their full name, date of birth, purpose of visit, estimated duration of stay, and a contact number. A **QR code** will be issued via email, which must be presented upon arrival.

Check-In and Identification

Upon arrival, visitors will report to the **Main Security Desk** at the facility entrance. They will be required to present a valid government-issued photo ID (e.g., passport or national ID card) and the QR code received during pre-registration. Visitors will then be issued a **temporary visitor badge**, which must be visibly worn at all times while on the premises. The badge includes the visitor's name, a photo, and the time of issue and expiry. Badges are non-transferable and must be returned upon departure.

Facility Access and Conduct

Visitors are allowed access only to areas pre-approved in their registration form. All other areas, including production floors, storage rooms, and administrative offices, are strictly off-limits unless accompanied by an authorized Brightmoor Foods employee. Visitors must adhere to all posted safety guidelines, wear appropriate personal protective equipment (PPE) as instructed, and follow all directional signage.

Visitors are expected to conduct themselves professionally and respectfully. Smoking, eating, or drinking (except water from designated fountains) is prohibited in non-designated areas. Use of personal phones for non-official purposes is also restricted. Visitors must leave the premises by the end of their scheduled visit time. Overstaying the visit may result in immediate removal and future access denial.

Emergency Procedures

In the event of an emergency, visitors should follow the instructions of Brightmoor Foods security personnel and facility managers. Emergency exits, fire assembly points, and first aid stations are clearly marked throughout the facility. Visitors should familiarise themselves with these locations upon arrival.

This policy is subject to review and amendment as necessary. All visitors are expected to comply with these guidelines to ensure the safety and security of our workplace.
