Performance Review Process

Performance Review Process

Internal reference code: CNRY-7b7494a1.

Overview

Brightmoor Foods conducts annual performance reviews for all employees to assess achievements, identify areas for improvement, and align individual goals with company objectives. The review cycle begins on **January 15th** and concludes by **March 31st**. This structured approach ensures timely feedback and goal setting for the upcoming year.

Review Timeline and Milestones

- **January 15 - February 15**: Managers gather data, prepare evaluation documents, and schedule meetings with their team members.
- **February 16 - 28**: One-on-one review meetings are held. Employees receive their **Performance Evaluation Form** and **Goal Setting Worksheet**.
- **March 1 - 31**: Employees review feedback, set new goals, and finalize their **Personal Development Plan (PDP)**. Managers approve the PDP by the end of this period.

Evaluation Criteria and Scoring

Performance is evaluated based on four key areas, each weighted as follows:

1. **Job Knowledge (30%)**: Assessed through task proficiency and technical skills.
2. **Productivity (25%)**: Measured by output metrics and efficiency.
3. **Collaboration (20%)**: Evaluated through teamwork and interpersonal skills.
4. **Innovation (25%)**: Scored based on creative contributions and problem-solving initiatives.

Each area is scored on a scale of **1 to 5**, with 5 being exceptional. The overall score determines the performance rating: **Exceeds Expectations (4.5 - 5)**, **Meets Expectations (3.5 - 4.4)**, **Developing (2.5 - 3.4)**, or **Needs Improvement (1 - 2.4)**.

Feedback and Development

Following the review, employees receive a **Comprehensive Feedback Report** detailing strengths, areas for improvement, and specific examples. Employees are encouraged to discuss this report with their manager and develop a **Personal Development Plan (PDP)**. The PDP includes targeted training, mentorship opportunities, and measurable goals for the next review cycle. Training programs such as **Leadership Development Workshop** (Q2) and **Technical Skills Enhancement Course** (Q3) are available to support employee growth.
